Cobalt™ Super Skid – Power and Performance at a Great Price!

Elk Grove Village – July, 2008. Delco Cleaning Systems is proud to introduce the Cobalt™ Super Skid. This new model features 3500PSI @ 5.0 GPM, an 18 HP Briggs & Stratton Vanguard® Engine with Key Start, a General Pump, and 13 Gallon Fuel Tanks. “The Cobalt delivers a lot of power for a very small price,” noted Frank Rostine, Vice President of Delco. “We built this new model to be very price competitive in the market without compromising on power, performance, or durability.”

Gus Alexander, President of Delco, added “While others are raising their prices, Delco is driving them down.”
